West Berkshire District Council (Hungerford, Eddington Mill) Definitive Map Modification Order 2025

This Order is made by West Berkshire District Council (“the Council”) under section 53(2)(b) of the Wildlife and Countryside Act 1981 (“the Act”) because it appears to that authority that the West Berkshire District Council Second Consolidated Definitive Map and Statement require modification in consequence of the occurrence of an event specified in section 53(3)(c)(i), namely, the discovery by the Council of evidence which (when considered with all other relevant evidence available to them) shows that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a public footpath.

The Council has consulted with every local authority whose area includes the land to which the order relates. The Council hereby order that:
