- E Glossary

Summary of the Local Development Scheme

The Government requires that all local planning authorities produce a Local Development Scheme (LDS) which sets out the Development Plan Documents (DPDs) that it will produce as part of its Local Plan. This LDS therefore explains what documents will be included in the West Berkshire Local Plan over the next few years, when each document will be produced, and when stakeholders and the public will be involved in the production of each document. It also explains the different status of documents within the Local Plan.

All documents produced within the Local Plan will reflect the issues and priorities that are important to the District and will eventually replace the West Berkshire District Local Plan 1991-2006, the Replacement Minerals Local Plan for Berkshire, incorporating the alterations adopted in December 1997 and May 2001 and the Waste Local Plan for Berkshire adopted December 1998. The content of the Local Plan will be led by the priorities in the Sustainable Community Strategy for the District.

The Council's first published LDS was approved by Government in April 2005. Further updates were then published in April 2010, May 2012, September 2013, May 2014, and March 2015. This seventh version revises the document again and contains updates to reflect changes in circumstances since March 2015, namely the re-evaluation of the previously approved timetable following the high volume of responses received to the consultation on the preferred options version of the Housing Site Allocations Development Plan Document (DPD) and the initial issues and options for the West Berkshire Minerals and Waste Local Plan and the need for additional time to process and give full consideration to all of the responses received. In addition, staff shortages have resulted in a lack of available resources to progress alongside the previously conceived timetable.

Documents to be prepared

The LDS shows that the Council is intending to produce the following DPDs, which will form part of the Local Plan, between 2015 and 2018:

- Housing Site Allocations (with selected housing policies and sites for Gypsies, Travellers and Travelling Showpeople)
- West Berkshire Minerals and Waste Local Plan

The two DPDs will be accompanied by a Policies Map.

After 2016, another Local Plan will be prepared which is intended to replace the current folder of documents (the Core Strategy DPD, Housing Site Allocations DPD and West Berkshire District Local Plan Saved Policies) with a comprehensive Local Plan. This is termed 'new' Local Plan throughout this LDS. The West Berkshire Minerals and Waste Local Plan is anticipated to remain as a stand alone document sitting alongside the new Local Plan.

Timetable

The tables below summarise the key stages in the preparation of each document. There will be opportunities for community engagement at key stages throughout the process in accordance with the requirements set out in the Town and Country Planning (Local Planning) (England) Regulations 2012, and the Council's Statement of Community Involvement.

Annual Monitoring Reports will provide updates on the progress of preparing these documents against key milestones and highlight any new or emerging issues which may necessitate a review of the LDS

Timetable for the preparation of a Local Plan 2015-2018

	Consulting on scope of Sustainability Appraisal	Public participation in the preparation of the DPD	Publication of Proposed Submission Documents	Submission to Secretary of State	Start of Independent Examination	Adoption
Housing Site Allocations DPD	September 2013 to October 2013	September 2013 to December 2015	November 2015	April 2016	June 2016	November 2016
West Berkshire Minerals and Waste Local Plan	September 2013 to October 2013	October 2013 to September 2017	October/November 2017	December 2017	March/April 2018	June/July 2018
Policies Map	The Policies Map spatially illustrates the policies of the Local Plan on an Ordnance Survey base. It will be updated to reflect any area specific policies in the Housing Site Allocations DPD and the West Berkshire Minerals and Waste Local plan.					

Timetable for the preparation of a new Local Plan post 2016:

	Consulting on scope of Sustainability Appraisal	Public participation in the preparation of the DPD	Publication of Proposed Submission Documents	Submission to Secretary of State	Start of Independent Examination	Adoption
West Berkshire Local Plan	November 2016 to December 2016	November 2016 to November 2018	September 2018	February 2019	April 2019	November 2019
Policies Map	The Policies Map spatially illustrates the policies of the Local Plan on an Ordnance Survey base.					

1 Explanation of the Local Development Scheme

1.1 Introduction

The government requires that all local planning authorities produce a Local Development Scheme (LDS) which is a public statement of the Council's programme for the production of Development Plan Documents (DPDs). The LDS sets out:

- The planning documents the Council aims to produce
- The programme for producing them

The LDS has to be formally approved by the Council and be made publicly available. This is the seventh LDS to be produced by the Council and it supersedes all other versions.

1.2 Planning context

The Planning and Compulsory Purchase Act (2004)¹, the Planning Act (2008)², the Localism Act (2011)³ and the Town and Country Planning (Local Planning) (England) Regulations 2012⁴ set out the legislative framework and statutory procedures for the current system of plan making for local authorities. The system of producing Development Plan Documents (DPDs) as part of a Local Plan allows for a number of statutory planning documents to be produced. Together, these documents will provide the spatial strategy, policies and guidance for the District and over time they will replace the saved policies in the current West Berkshire District Local Plan 1991-2006⁵, the Replacement Minerals Local Plan for Berkshire Incorporating the Alterations adopted in December 1997 and May 2001⁶ and the Waste Local Plan for Berkshire adopted in December 1998⁷.

Planning policies for the District need to be prepared in the context of the National Planning Policy Framework (NPPF), National Planning Practice Guidance (NPPG), other National Policy Statements and Regulations (e.g. Community Infrastructure Levy (CIL))⁸, national waste planning policy, and with regard to other local plans and strategies produced by the Council and other organisations 'A Breath of Fresh Air'⁹ is the Sustainable Community Strategy for the District and provides an overarching framework within which other local strategies sit.

1.3 Development Plan Documents (DPDs):

These are the core of the Local Plan and together form the Development Plan which is the starting point for making planning decisions. They are prepared in consultation with the community and stakeholders and are subject to examination by an independent Planning Inspector.

⁵ Saved policies of the West Berkshire District Local Plan 1991-2006: <http://info.westberks.gov.uk/index.aspx?articleid=28783>

⁶ Replacement Minerals Local Plan for Berkshire Incorporating the Alterations adopted in December 1997 and May 2001:
<http://www.westberks.gov.uk/CHttpHandler.ashx?id=29264&p=0>

⁷ Waste Local Plan for Berkshire (1998): <http://www.westberks.gov.uk/CHttpHandler.ashx?id=29266&p=0>

⁸ The Community Infrastructure (Amendment) Regulations 2015

http://www.legislation.gov.uk/uksi/2015/836/pdfs/uksi_20150836_en.pdf enables local planning authorities to charge a levy on new development to fund infrastructure to support the development of the area where it is collected. The money can be used to pay for a wide range of infrastructure that are needed as a result of development. The Council's CIL was implemented on 1 April 2015. Further details can be viewed at: <http://www.westberks.gov.uk/cil>.

⁹ Sustainable Community Strategy: <http://www.westberkshirepartnership.org/index.aspx?articleid=15225>

The four main stages in preparing a DPD are:

- The pre-production stage, including evidence gathering by the Council on key issues and development options and consulting statutory bodies on the scope of the Sustainability Appraisal.
- The production stage, including public and stakeholder consultation by the Council on the development issues and options and the scope of the DPD and the consideration of consultation responses.
- Submission and examination stage, where the DPD will be submitted to the Secretary of State then subject to scrutiny by an independent inspector appointed by the Secretary of State who will assess the 'soundness' of the DPD. A Public Hearing is held by the appointed Inspector. The Inspector's role is to assess whether the plan has been prepared in accordance with the Duty to Cooperate, legal and procedural requirements and whether it is sound. "Sound", means whether the plan is:
 - **Positively prepared** - the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development;
 - **Justified** - the plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence;
 - **Effective** - the plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities; and
 - **Consistent with national policy** - the plan should enable the delivery of sustainable development in accordance with the policies in the NPPF, NPPG, other National Policy Statements and national waste planning policy.
- Finally, the adoption stage, where the DPD becomes formally part of the Development Plan, and the plan is monitored and reviewed.

1.4 Other documents

Supplementary Planning Documents (SPDs):

SPDs¹⁰ provide more detailed guidance to explain policies and proposals set out in the Local Plan. They cannot introduce new policies. Unlike DPDs they are not subject to an independent examination and so are quicker to produce.

Neighbourhood Development Plans (NDPs):

Through the provisions of the Localism Act 2011, Town and Parish Councils are now able to prepare Neighbourhood Development Plans and/or Orders. The production of a Neighbourhood Plan or Order has to be instigated by the relevant Town/Parish Council and does not form part of the LDS.

¹⁰ The Council will provide information on which SPDs it intends to produce on its website and will be able to keep this more up to date without the need to go through the formal process of changing the LDS.

1.5 What documents have we already prepared?

The Council has already prepared some documents either as part of or which support the current West Berkshire Local Plan. These are:

- **West Berkshire Core Strategy (2006-2026) DPD¹¹** adopted 16 July 2012
- **Market Street Urban Village SPD¹²** adopted on 9 June 2005
- **Quality Design - West Berkshire SPD¹³** adopted on 19 June 2006.
- **Planning Obligations SPD¹⁴** adopted 11 December 2014.
- **Pirbright Institute Site, Compton SPD¹⁵** adopted on 19 September 2013
- **Sandleford Park SPD (amended)¹⁶** adopted on 3 March 2015

- **Statement of Community Involvement¹⁷** adopted on 18 September 2014
- **Annual Monitoring Reports¹⁸** – produced in December each year
- **Minerals and Waste Annual Monitoring Reports¹⁹** – produced in December each year

1.6 Reasons for updating the LDS

Since the publication of the Council's sixth LDS in March 2015, there have been changes in circumstances which have resulted in the need to revise the LDS. These are outlined below:

Re-evaluation of previously approved timetables

The Council consulted on the preferred options version of the Housing Site Allocations DPD in the summer of 2014. Due to the high volume of responses received to the consultation (8,500 comments were received from 4,500 individuals), the timetable for processing and responding to the comments has had to be extended to ensure all the comments can be given full consideration and enable the information to be fully taken into account in the decision making process.

Similarly, the Council consulted on the initial issues and options for the West Berkshire Minerals and Waste Local Plan in the Spring of 2014. Due to the high volume of comments received (over 3,500) the timetable for processing and responding to the comments has been extended to ensure all the comments can be given full consideration and enable the information to be fully taken into account in the ongoing development of the Plan. In addition, staff shortages have resulted in a lack of available resources to progress alongside the previously conceived timetable.

1.7 What documents will be prepared as part of the Local Plan?

Between 2013 and 2018, the following DPDs will be produced:

¹¹ West Berkshire Core Strategy (2006-2026) DPD: <http://info.westberks.gov.uk/index.aspx?articleid=28782>

¹² Market Street Urban Village SPD: <http://info.westberks.gov.uk/CHttpHandler.ashx?id=36531&p=0>

¹³ Quality Design – West Berkshire SPD: <http://info.westberks.gov.uk/index.aspx?articleid=28786>

¹⁴ Planning Obligations SPD: <http://www.westberks.gov.uk/index.aspx?articleid=30742>

¹⁵ Pirbright Institute Site, Compton SPD: <http://info.westberks.gov.uk/CHttpHandler.ashx?id=36532&p=0>

¹⁶ Sandleford Park SPD: <http://info.westberks.gov.uk/index.aspx?articleid=28787>

¹⁷ Statement of Community Involvement: <http://www.westberks.gov.uk/index.aspx?articleid=30491>

¹⁸ Annual Monitoring Reports: <http://info.westberks.gov.uk/index.aspx?articleid=28785>

¹⁹ Joint Minerals and Waste Annual Monitoring Reports: <http://info.westberks.gov.uk/index.aspx?articleid=29084>

- **Housing Site Allocations DPD:** This DPD will allocate the remainder of the ‘at least’ 10,500 housing figure identified in the Core Strategy by allocating specific smaller scale housing sites for development within existing built up areas and, if necessary, in areas outside existing settlement boundaries (the main urban extensions in Newbury at the Racecourse and Sandford Park have been identified in the Core Strategy). Sites for Gypsies, Travellers and Travelling Showpeople will also be included in the DPD, as will several housing related development management policies. Together with the West Berkshire Core Strategy, its aim will be to ensure that residential development is delivered when it is needed and in locations which best serve the overall objectives of the community.
- **West Berkshire Minerals and Waste Local Plan:** A 15+ year spatial strategy, with vision and strategic objectives for West Berkshire, containing the policies for all minerals and waste development supported by reasoned justifications.
- **Policies Map:** The Policies Map spatially illustrates the policies of the Local Plan on an Ordnance Survey base. It will be updated to reflect any area specific policies in the Housing Site Allocations DPD and the West Berkshire Minerals and Waste DPD.

A new Local Plan will then be produced and will supersede, in November 2019, the Core Strategy DPD and Housing Site Allocations DPD. It will also supersede the West Berkshire District Local Plan Saved Policies following adoption. The housing number in this new Local Plan, which will look forward to 2036, will be informed by the outcomes of the new Strategic Housing Market Assessment (SHMA), and it will also be accompanied by a policies map to spatially illustrate the policies.

Table 1.1 below summarises the key stages in their preparation, but Appendix A sets out the programmes for these documents in more detail. Table 1.2 sets out the timetable for the new Local Plan that is anticipated to be adopted in 2019, and Appendix A includes the detailed programme for this new Local Plan.

Table 1.1: Timetable for the preparation of the Local Plan 2015-2018

	Consulting on scope of Sustainability Appraisal	Public participation in the preparation of the DPD	Publication of Proposed Submission Documents	Submission to Secretary of State	Start of Independent Examination	Adoption
Housing Site Allocations DPD	September 2013 to October 2013	September 2013 to December 2015	November 2015	April 2016	June 2016	November 2016
West Berkshire Minerals and Waste Local Plan	September 2013 to October 2013	October 2013 to September 2017	October/November 2017	December 2017	March/April 2018	June/July 2018
Policies Map	The Policies Map spatially illustrates the policies of the Local Plan on an Ordnance Survey base. It will be updated to reflect any area specific policies in the Housing Site Allocations DPD and the West Berkshire Minerals and Waste Local Plan.

Policies Map	The Policies Map spatially illustrates the policies of the Local Plan on an Ordnance Survey base.					

1.8 Transitional arrangements

The Council's local planning framework is currently in a state of transition between old and new systems. The old system is represented by the remaining 'saved' policies (as amended July 2012) of the West Berkshire District Local Plan (adopted June 2002), together with the Replacement Minerals Local Plan for Berkshire, incorporating alterations adopted December 1997 and May 2001 and the Waste Local Plan for Berkshire adopted December 1998.

Table 1.3: Saved Development Plans and Policies

Saved Development Plans and Policies				
Document	Role and Contents	Area covered	Status	Timetable for production and review
West Berkshire District Local Plan (adopted June 2002) – Saved Policies (as amended July 2012) see Appendix B for details	Policies of the adopted local plan which conform with the West Berkshire Core Strategy	West Berkshire	Saved Former Development Plan Policies	The Council submitted a list of proposed saved policies in accordance with the protocol issued by the Department of Communities and Local Government in August 2006. The list was agreed in September 2007. It was amended in July 2012 following adoption of the West Berkshire Core Strategy
Replacement Minerals Local Plan for Berkshire, incorporating alterations adopted December 1997 and May 2001 see Appendix C for details	Policies of the adopted Minerals Local Plan which will conform with the West Berkshire Minerals and Waste Local Plan	Berkshire	Saved Former Development Plan Policies	The Secretary of State directed that, under paragraph 1 (3) of Schedule 8 to the Planning and Compulsory Purchase Act 2004, a number of policies in the Replacement Minerals Local Plan for Berkshire (RMLP) Incorporating the Alterations adopted in December 1997 and May 2001 should be saved indefinitely until replaced by national, regional or local minerals and waste policies.
Waste Local Plan for Berkshire	Policies of the adopted Waste Local	Berkshire	Saved Former Development Plan Policies	The Secretary of State directed that, under paragraph 1 (3) of Schedule 8 to the Planning and

Saved Development Plans and Policies				
Document	Role and Contents	Area covered	Status	Timetable for production and review
adopted December 1998 see Appendix C for details	Plan which will conform with the West Berkshire Minerals and Waste Local Plan			Compulsory Purchase Act 2004, a number of policies in the Waste Local Plan for Berkshire adopted in December 1998, should be saved indefinitely until replaced by national, regional or local minerals and waste policies.

Although the Council was unable to save any Supplementary Planning Guidance produced under previous legislation, the documents outlined in Appendix D are considered to give up to date and relevant guidance which supplement the saved policies of the West Berkshire District Local Plan. They are therefore considered to still be material considerations. They were all produced in consultation with the public and stakeholders and include a statement of public consultation.

The old system will eventually be replaced in stages by DPDs produced under the current Local Plan. This includes the Core Strategy DPD (which was adopted in July 2012), the Housing Site Allocations DPD and the West Berkshire Minerals and Waste Local Plan.

A new Local Plan is anticipated for adoption in November 2019 which will replace the Core Strategy DPD and the Housing Site Allocations DPD. It is expected that the West Berkshire Minerals and Waste Local Plan will sit alongside the new Local Plan. It is therefore anticipated that, post 2019, the West Berkshire Development Plan will be comprised of the new Local Plan and the West Berkshire Minerals and Waste Local Plan.

1.9 Joint working arrangements and the Duty to Co-operate

West Berkshire does not exist in isolation from its neighbours and the Local Plan needs to take account of the challenges, issues and opportunities affecting the wider surrounding area at a more strategic level. The Council therefore works with surrounding authorities and others to co-ordinate policy and evidence collection on matters of strategic or cross boundary significance. The 2011 Localism Act has now formalised this arrangement under a new 'duty to co-operate'²⁰. This requires local authorities to work constructively, actively and on an on-going basis on strategic, cross boundary matters in the preparation of DPDs.

²⁰ Section 110 of the Localism Act. Further guidance is given in paragraphs 178 to 181 of the NPPF.

2 Evidence Base

2.1 What information and evidence will inform the preparation of the Local Plan?

It is important that the preparation of the Local Plan is underpinned by a strong evidence base. This also provides important baseline information for undertaking the Strategic Environmental Assessment and the Sustainability Appraisal which also form a key part of the evidence base. The evidence base includes technical studies and also evidence from public engagement, including key stakeholders, agencies, infrastructure providers and the general public. Some of the more significant studies include:

- Strategic Housing Land Availability Assessment
- Strategic Housing Market Assessment
- Landscape Sensitivity Assessment
- Strategic Flood Risk Assessment
- Economic Assessment
- Transport Assessment
- Infrastructure Delivery Plan
- Habitats Regulation Assessment
- Local Minerals Assessment
- Local Waste Assessment

All published evidence documents are posted on the Council's website²¹.

2.2 Sustainability Appraisal and Strategic Environmental Assessment

The Council has to undertake a Sustainability Appraisal (SA) for all DPDs it produces and has to meet certain statutory requirements for consultation. This incorporates the requirements under the Planning and Compulsory Purchase Act 2004 for SA and the requirement under the European Directive 2001/42/EC, or Strategic Environmental Assessment Directive, to undertake a Strategic Environmental Assessment (SEA). SA assists in the consideration of options and decisions on policies and proposals in the Local Plan. It is a tool that highlights any significant environmental, social or economic effects of the plan and assesses it against a number of sustainability objectives in order to identify these impacts.

The Council will also undertake Habitats Regulations Assessments (HRA) where required by the Conservation of Habitats and Species Regulations 2010²². The purpose of a HRA is to assess the possible effects of a land use plan on any Natura 2000 site. These are European designated sites which are intended to form an ecologically coherent network of designated sites across the whole of Europe. Where significant negative effects are identified, alternative options should be examined to avoid any potential damaging effects.

2.3 Community involvement

One of the key objectives of the planning system is greater and more effective community involvement. Arrangements for involving the community in each of the DPDs are explained in the Council's Statement of Community Involvement (SCI). Public involvement in the production of the DPDs in this LDS will be tailored in accordance with the role and scope of the document as explained in the SCI (adopted in September 2014) and the Council's Consultation Policy (2013).

²¹ <http://info.westberks.gov.uk/index.aspx?articleid=28515>

²² Conservation of Habitats and Species Regulations 2010: <http://www.legislation.gov.uk/uksi/2010/490/regulation/41/made>
West Berkshire Council Local Development Scheme October 2015

3. Monitoring and Review

Monitoring the implementation of the Council's Local Plan is a key feature of the planning system.

3.1 Annual Monitoring Reports

In December each year the Council will produce Annual Monitoring Reports (AMRs) to track the implementation of policies and changes which have occurred in West Berkshire. A separate AMR will be produced for minerals and waste.

The West Berkshire AMR will include:-

- An assessment of whether any targets set out in DPDs are being met and, if not, the reasons why
- Impact of policies on targets set out at national, sub-regional or local level
- Consideration of whether any policies need to be replaced or amended and action needed to do this
- Details of housing delivery including completed dwellings during the monitoring year, numbers of units under construction, stock of permissions, house type data, parking spaces provided, density of development
- A housing trajectory showing past completions and expected future building
- Details of employment generating development constructed, started and given planning permission
- Other development trends data

A separate West Berkshire minerals and waste AMR will be produced, which will contain:

- Impact of policies on targets set out at national, larger than local e.g. south east area or local level
- Consideration of whether any policies need to be replaced or amended, and action needed to do this
- Details of permitted minerals and waste development
- Aggregate sales and reserves
- Waste generation figures

The AMRs will also cover progress on achieving the timetable set out in this LDS.

3.2 Reviewing this LDS

This document is the Council's seventh LDS and sets out the programme for the next few years. It will normally be reviewed once a year following the publication of the AMR. As part of the AMR, the Council will assess whether any changes to the timetable may be needed, whether the results of monitoring suggest attention to particular policy areas are required, or whether new or emerging issues may necessitate a review of the LDS.

Proposed Development Plan Documents

Proposed Development Plan Documents between 2015 and 2018

Document Area Covered	Role, Contents and Conformity	Timetable for production and review
<p>Housing Site Allocations</p> <p>West Berkshire</p>	<p>This plan will allocate specific areas for residential development or restraint in accordance with the overall planning strategy for West Berkshire set out in the West Berkshire Core Strategy.</p> <p>It will also contain a succinct suite of housing policies managing development which assist in implementing the spatial strategy and setting out considerations applicable to most forms of development</p> <p>Will conform with: NPPF, NPPG, West Berkshire Core Strategy DPD.</p> <p>Replaces: West Berkshire District Local Plan 1991 – 2006</p>	<ul style="list-style-type: none"> ▪ Consult on scope of sustainability appraisal – September 2013 to October 2013 ▪ Public participation in the preparation of the document - September 2013 to December 2015 ▪ Publication of Proposed Submission Documents – November 2015 ▪ Submission to Secretary of State – April 2016 ▪ Pre-hearing meeting – June 2016 (subject to Planning Inspectorate) ▪ Commencement of Public Hearings – June 2016 (subject to Planning Inspectorate) ▪ Estimated date for adoption – November 2016 (subject to Planning Inspectorate and Full Council timetable)

Saved West Berkshire District Local Plan policies

The following table lists all the saved policies of the West Berkshire District Local Plan 1991-2006. All other policies within the West Berkshire District Local Plan 1991-2006 either were not saved beyond September 2007 or have been replaced following the adoption of the West Berkshire Core Strategy (2006 – 2026) DPD in July 2012. The remaining policies will be replaced by either the Housing Site Allocations DPD or the new Local Plan.

Saved Minerals and Waste policies

The Replacement Minerals Local Plan for Berkshire (RMLP) and Waste Local Plan for Berkshire (WLPB) currently form the saved planning policy²⁴ context that guides minerals and waste developments in the former county area. The policies of the Waste Local Plan for Berkshire 1998 and the Replacement Minerals Local Plan for Berkshire Incorporating Alterations 2001 do not have the benefit of policy titles in the original publications. The titles of policies shown in the list below are indicative of the wording contained within the actual policy and have been used as an aide memoir.

To be replaced by West Berkshire Minerals and Waste Local Plan	
Waste Local Plan for Berkshire (December 1998) Policy	
WLP1 Sustainable Development	
WLP3 Phasing out putrescible / polluting waste	
WLP11 Proposed preferred areas	
WLP13 Local facilities	
WLP14 Sites for engineered landfill	
WLP15 Temporary sites for engineered landfill	
WLP16 Waste management facilities - non landfill	
WLP17 Green waste composting	
WLP18 Sewage works	
WLP19 Farm and stable waste	
WLP20 Other landfill sites for putrescible / polluting waste	
WLP21 Safeguarding sites for waste management	
WLP23 Temporary local separation sorting and recycling sites	
WLP24 Temporary recycling facilities on inert waste landfill sites	
WLP25 Disposal of inert waste by landfilling	
WLP26 Controls on landfill permissions to secure inert waste recycling	
WLP27 Is development needed	
Replacement Minerals Local Plan for Berkshire (Incorporating the Alterations adopted in December 1997 and May 2001) Policy	
MLP1 Husbanding resources	
MLP2 Prevention of sterilisation	
MLP2A Extraction to prevent sterilisation	
MLP6 General considerations for sand and gravel extraction	
MLP7 Material considerations for sand and gravel extraction	
MLP8 Preferred areas	
MLP10 Outside preferred areas applications will normally be refused	
MLP11 Strongest presumption against extraction	
MLP12 Strong presumption against extraction	

²⁴ The Secretary of State has directed that, under paragraph 1 (3) of Schedule 8 to the Planning and Compulsory Purchase Act 2004, a number of policies in the Replacement Minerals Local Plan for Berkshire (RMLP) Incorporating the Alterations adopted in December 1997 and May 2001 and the Waste Local Plan for Berkshire adopted in December 1998, should be saved indefinitely until replaced by national, regional or local Minerals and Waste policies.

To be replaced by West Berkshire Minerals and Waste Local Plan

MLP13 Strong presumption against extraction all other areas

MLP14 Borrow pits

MLP15 Building sand

MLP16 Chalk, clay and other minerals

MLP17 Oil and gas

MLP18 Appropriate and timely restoration

MLP19 Securing public benefit through restoration

MLP20 Proposals for restoration

MLP21 Content of minerals applications

MLP26 Safeguarding rail depots

MLP28 Ancillary structures

MLP29 Importing aggregates to plant sites

Supplementary Planning Guidance – Material Considerations

Although Supplementary Planning Guidance²⁵ produced under previous legislation could not be saved, the following documents are still considered to give up to date and relevant guidance which supplement the saved policies of the West Berkshire District Local Plan.

Supplementary Planning Guidance – Material Considerations				
Document	Role, Contents and Conformity	Area covered	Status	Timetable for production and review
SPG No.19 Public Houses	Provides guidance on proposals which involve the loss of public houses	West Berkshire	Adopted 25 January 2000 Conforms with: West Berkshire District Local Plan	Prepared by the Council in consultation with the local community. Likely to remain relevant for many years and so no current timetable for review.
SPG No.20 Village Design Statement for Basildon	Design guidance for development in Basildon	West Berkshire	Adopted 13 March 2001 Conforms with: West Berkshire District Local Plan	Prepared by the local community in consultation with the Council. Likely to remain relevant for many years and so no current timetable for review.
SPG No.21 Chieveley Village Design Statement	Design guidance for development in Chieveley	Chieveley	Adopted 2 April 2002 Conforms with: West Berkshire District Local Plan	Prepared by the local community in consultation with the Council. Likely to remain relevant for many years and so no current timetable for review.
SPG No.22 Bucklebury Vision – Parish Design Statement	Design guidance for development in Bucklebury Parish	Bucklebury	Adopted 16 April 2002 Conforms with: West Berkshire District Local Plan	Prepared by the local community in consultation with the Council. Likely to remain relevant for many years and so no current timetable for review.
SPG No.23 Cold Ash and Ashmore Green Village Design Statement	Design guidance for development in Cold Ash and Ashmore Green	Cold Ash and Ashmore Green	Adopted 1 May 2002 Conforms with: West Berkshire District Local Plan	Prepared by the local community in consultation with the Council. Likely to remain relevant for many years.

Glossary

Term	Acronym	Explanation
Adoption		Formal approval by the Council of a DPD whereupon it achieves its full weight.
Annual Monitoring Report	AMR	Annual statement analysing the implementation of policies. Produced in December. Also known as Authority Monitoring Report
Community Strategy		Strategic objectives and action plan produced by the LSP
Conformity		LDDs normally have to fit in to the policies set out in higher documents - conformity
Core Strategy		The overall spatial planning policies and objectives for an area.
Council		In this context, the local planning authority; in this case West Berkshire Council. References to full Council are to the meeting of all elected members which is the Council's supreme decision making body
Development Plan Document	DPD	A statutory document which is the primary consideration in determining planning applications. It is required to undergo public testing (inquiry or examination before an independent inspector or panel).
Examination		In this context the forum at which an independent inspector considers the soundness of a development plan document
Executive		In this case, the Council's lead decision making body comprised of elected members
Habitats Regulations Assessment	HRA	An assessment of the potential impacts of a plan or proposal on areas of European nature conservation importance.
Housing Trajectory		Diagram showing housing delivery and expected trends of development
Inset map		Specific section of a Policies Map
Local Development Scheme (<i>this document</i>)	LDS	A public statement of the Council's programme for the production of development plan documents.
Local Plan		The portfolio of DPDs that provides the framework for delivering the spatial strategy for the area
Local Strategic Partnership	LSP	A grouping of local stakeholders – local councils, business, voluntary sector – working together in the local community. The local LSP is the West Berkshire Partnership
Material consideration		A factor or document which can be taken into account in deciding a planning application
Minerals Planning Guidance Note	MPG	Government statement of its planning policy that has now been replaced by the NPPF and NPPG
National Planning Policy Framework	NPPF	A simplified set of national policies published by the government in March 2012 that replaces the government guidance formerly contained in Planning Policy Guidance Notes (PPGs), Planning Policy Statements (PPSs), Minerals Planning Guidance Notes (MPGs) and Minerals Policy Statements (MPS').

Term	Acronym	Explanation
National Planning Policy for Waste	NPPW	A simplified set of national policies relating to waste published by the government in October 2014 that replaced the government guidance formerly contained in Planning Policy Statement 10 (PPS10).
National Planning Practice Guidance	NPPG	On-line guidance produced by the Department for Communities and Local Government in March 2014 that supplements the NPPF and supersedes previous planning practice guidance
Neighbourhood Development Plan	NDP	Neighbourhood planning document produced by the local community. Sets out policies in a particular area in relation to the development and use of land.
Neighbourhood Development Order	NDO	Neighbourhood planning document produced by the local community. Grants planning permission in a particular area for certain types of development specified in the order
Planning Inspectorate	PINS	National agency which supplies independent planning inspectors.
Planning Policy Guidance	PPG	Government statement of its planning policy now replaced by the NPPF and NPPG
Planning Policy Statement	PPS	Former Government statement of its planning policies. Now replaced by the NPPF, NPPW and NPPG.
Policies Map		Map showing policy areas on an Ordnance Survey map base.
Regulations		Town & Country Planning (Local Planning) (England) Regulations 2012 which set out the statutory requirements for preparing local plans
Saved Development Plans or Policies		The system allowed all existing Local and Structure Plans to be saved until September 2007. Some policies have been saved for a longer period.
Spatial strategy		An integrated planning/development strategy aiming to achieve a range of objectives
Stakeholder		In this context an organisation or individual with an interest in local planning matters
Statement of Community Involvement	SCI	Adopted document setting out how the Council will involve the community in the planning process.
Strategic Environmental Assessment	SEA	An assessment of the potential impacts of policies and proposals on the environment, to include proposals for the mitigation of any impacts.
Submission		Stage at which a prepared DPD is presented to Secretary of State.
Supplementary Planning Document	SPD	A document which provides more detailed advice or guidance on the policies in the Local Plan.
Supplementary Planning Guidance	SPG	Planning guidance produced under the previous planning system. They give additional guidance in support of policies in statutory planning documents
Sustainability Appraisal	SA	An appraisal of the economic, social and environmental impacts of policies and proposals. It incorporates Strategic Environmental Assessment (SEA) – see above. The SA Scoping Report identifies the information needed for the appraisal, and describes the methodology for undertaking sustainability

Term	Acronym	Explanation
		appraisal.
Unitary authority		A single tier local authority providing a full range of local government functions. West Berkshire Council is a unitary authority
Village Design Statement	VDS	Local design guidance produced by a local community and adopted by the Council
West Berkshire Partnership		The local LSP.
