

Support to complete Deputyship

West Berkshire Council's Deputyship Team can offer support to complete Deputyship application forms.

There is a cost for this service:

Deputyship Application - £408.00

If the person already lacks mental capacity, then an application for Deputyship will need to be made to the Court of Protection if they have not given someone lasting power of attorney.

I request support to complete the appropriate forms and agree to pay the fee as set out above.
