

Errata sheet for Andrew Giles: Trees: Rebuttal to Appellants' proof of Evidence

Date: 10/05/2021

Andrew Giles

**Appeal: APP/W0340/W/20/3265460 – Sandleford Park, Newbury**

**Council's reference: 20/01238/OUTMAJ**

2.8 Ancient Tree Inventory home Page is:

[Ancient Tree Inventory - Woodland Trust](#)

2.15 Veteran trees should be classed as 'A3' in BS5837 in the note on paragraph 4.5.11

The engineered footpath on this southern side of this ASNW will cause direct damage to the soil structure and rooting environment of these trees and formal construction is considered unacceptable.

2.27 SuDS basins and conveyancing channels are within the 15m rooting area of the Ancient Woodlands and formal footpaths (sealed surfaces) are considered to require formal construction and both SuDS basins and formal footpaths are considered unacceptable.
