Your comments on the Compton NDP

Please set out your comments regarding the Compton Neighbourhood Development Plan (NDP) and specify which page / paragraph / policy they relate to

This is a neighbourhood plan that borders Oxfordshire, therefore we need to check whether there are any allocations in the Neighbourhood plan would affect either our ability to dig minerals or the ability for our existing minerals and waste facilities to operate.

We can say that:

- There are no Minerals safeguarding areas near the border at that point.
- There are no quarries in that area that would be affected.
- There is a waste facility (Prospect Farm) about 2km from the boundary of the village. It has a temporary planning permission and I think it is sufficiently distant not to be affected.

In this case we have no comments.

Notification of progress of the Compton NDP

Do you wish to be notified of any of the following?

- . Publication of the Examiners report / Decision to progress to referendum
- . Decision to adopt the Compton NDP
