PART I - DETAILS OF APPLICATION

Date of Application

3rd February 2022

Application No.

22/00244/FULEXT

THE PROPOSAL AND LOCATION OF THE DEVELOPMENT:

Erection of 32 dwellings including affordable housing, parking, and landscaping. Access via Regis Manor Road.

Land Rear Of The Hollies, Reading Road, Burghfield Common, Reading West Berkshire RG7 3BH

PART II - DECISION

In pursuance of its powers under the Town and Country Planning Act 1990, West Berkshire District Council REFUSES planning permission for the development referred to in Part I in accordance with the submitted application form and plans, for the following reason(s):-

1. The applicant has failed to complete and enter into a s106 obligation under the 1990 Act, which would secure and ensure the delivery of the required 40% affordable housing (13 affordable dwellings of which 70% i.e. 9 units should be for social rent) on the application site as required under policy HSA16 in the HSADPD of 2017 and under policy CS6 in the West Berkshire Core Strategy of 2006 to 2026. Given the existing high need for affordable housing across the District, the application is accordingly unacceptable, and is contrary to and non-compliant with the above mentioned policies in respect of the necessary affordable housing requirements.
2. The application is part of an allocated housing site in the Council Local Plan [HSADPD of 2017]. In addition, it lies in the inner protection zone of the DEPZ for AWE site [B] at Burghfield. This public protection zone was formally altered in 2019, after the site was allocated and accepted in the HSADP. Policy CS8 in the WBCS of 2006 to 2026 notes that [inter alia] within the inner zone, in order to be consistent with ONR advice, nearly all new housing will be rejected [para 5.43 of the supporting text], as the additional resident population would compromise the safety of the public in the case of an incident at AWE. This accords with the advice

to the application provided by the Council Emergency Planning Service, and the ONR.

In addition, para 97 of the NPPF of 2021 notes that [inter alia] "planning policies and decisions should promote public safety, and take into account wider security and defence requirements by—b] ensuring that operational sites are not affected adversely by the impact of other development in the area. Given the clear objection from both the AWE and the ONR to the application on this basis it is apparent that the application is unacceptable in the context of this advice.

The Council accordingly considers that future public safety would be compromised if the development were to proceed, and potential harm would occur to the future capability and capacity of AWE Burghfield to operate effectively, in the light of the above. These are clear material planning considerations which, despite the site being allocated for housing in the Local Plan, are factors which a responsible LPA cannot set aside.

The proposal is accordingly unacceptable.

3. The proposed development by virtue of its size and siting, would result in the direct loss of trees the subject of TPO 201/21/0989. The loss of the trees is unacceptable especially as the proposal has not sought to minimise the impact on the existing TPO trees and also does not allow sufficient space on site to replace the trees that would be lost and this would have an adverse impact on the amenity and character of the area in which it is located.

The proposal is therefore contrary to policies ADPP1, CS14, CS18 and CS19 of the West Berkshire Core Strategy 2006 - 2026 (adopted 2012) and advice contained within the NPPF.

INFORMATIVE:

- 1 This application has been considered by West Berkshire Council, and REFUSED. Should the application be granted on appeal there will be a liability to pay Community Infrastructure Levy to West Berkshire Council on commencement of the development. This charge would be levied in accordance with the West Berkshire Council CIL Charging Schedule and Section 211 of the Planning Act 2008.
- 2 In attempting to determine the application in a way that can foster the delivery of sustainable development, the local planning authority has approached this decision in a positive way having regard to Development Plan policies and available guidance to try to secure high quality appropriate development. In this application whilst there has been a need to balance conflicting considerations, the local planning authority has also been unable to find an acceptable solution to the problems with the development so that the development can be said to improve the economic, social and environmental conditions of the area.

TOWN AND COUNTRY PLANNING ACT 1990

Notification to be sent to an applicant when a local planning authority refuse planning permission or grant it subject to conditions

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against the local planning authority's decision then you must do so within 6 months of the date of this notice.
- Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online using the Planning Portal at www.planningportal.co.uk.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
