Subject: FW: Objection to the West Berks Local Plan Review 2023

REMINDER

Dear Naomi

Thank you for your email in response to the Local Plan Review Reg 19 consultation.

To ensure an open and fair examination it is important that the Planning Inspector and all other participants in the examination process know who has made representations on the LPR. The Planning Inspectorate is clear that submitted representations need to be made publicly available, including on the Council's website, with the person/organisation making the representation being identified. If names are not made available it is likely that it will not be possible for the plan to be examined. A copy of all submitted representations will also be made available to the Planning Inspector. Address details will not be made publically available.

Whilst we will therefore not be able to redact your name from your representation, we do confirm that your address details will not be made public.

If you would still like us to process your response as part of the Local Plan Review Reg 19 consultation then could you please confirm that you understand that your name will be made public. Alternatively, if you would like to withdraw your representation, then please let us know. If we do not receive confirmation from you by Friday 10th March we will be unable to process your representation.

Kind regards
Planning Policy Team
