

# Your Shared Lives Carer journey starts here...

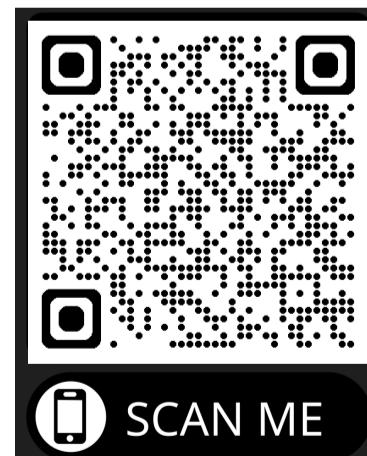

The West Berkshire Shared Lives Scheme recruits Carers who open their own home to someone needing support. This works in a similar way to fostering.

- Various types of placement are available to fit around your family life and give back to your local community.
- Support someone from home, no need to lose time or money commuting.
- Receive a fee around £400—£500 per week with generous tax breaks.
- Become a Shared Lives Carer and make a positive difference to someone else's life.

Please contact West Berkshire Shared Lives on **01635 520173** or visit
