HOW DOES YOUR SERVICE WORK?

You can book a journey using the passenger app. When you request a booking, our smart technology will match up your journey with any other passengers travelling in the same direction.

WB Community Connect

The app can be downloaded for free from the App or Google Play Stores.

To book a journey:

1. Download the app
2. Open and Sign Up as a new passenger
3. Select a day for travel
4. Request your pick-up point and destination point
5. Request your preferred departure or arrival time
6. State how many people will be travelling.

Journeys can be booked up to 7 days in advance and, subject to vehicle availability, as little as 30 minutes in advance.

The app will show your closest pick-up and alighting points for your trip and will also let you know the walking distance.

You will receive updates to confirm the exact arrival time of the bus and you can track the journey.

Don't worry if you do not have a smart phone, you can book journeys by:

Telephone: **01635 519650**

Email: **communityconnect@westberks.gov.uk**

Phones and emails will be answered between the hours of 0900 to 1600 Monday to Friday.
