Comments Details

Commenter Type: Part Objector and Supporter

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments: This comment is on behalf of the Tidmarsh with Sulham Parish Council of which I am chairman. The council has no objection to the application per se but would request that planning approval should be conditional upon the applicant complying with existing enforcement notices elsewhere on the same property, rectifying deviations from approved plans on recently built houses on the same property and cessation of unlicensed activity on the same property.

Kind regards
