STATEMENT OF REASONS

1. These proceedings concern an application brought under section 288 of the Town and Country Planning Act 1990 ("TCPA 1990") by the Claimant for statutory review of the decision of the First Defendant dated 8 August 2023 to allow the Third Defendant's appeal under s.78 TCPA 1990 against the decision of the Second Defendant to refuse planning permission for the erection of 32 dwellings including affordable housing, parking and landscaping on land to the rear of the Hollies, Reading Road, Burghfield Common, Reading RG7 3BH.
2. The claim was brought on the following grounds:

- a. Ground 1: The Planning Inspector failed to understand or take into account the Fourth Defendant's technical evidence/advice as an expert statutory consultee or failed to give legally adequate reasons, for disagreeing with it.
 - b. Ground 2: The Planning Inspector erred in law by misinterpreting policy CS8 and therefore failed to apply the presumption against residential development in the Detailed Emergency Planning Zone around AWE B.
 - c. Ground 3: The Inspector erred in law in respect of the assessment of the adequacy of the Offsite Emergency Plan.
 - d. Ground 4: The Planning Inspector took into account irrelevant considerations and/or failed to take into account relevant considerations or failed to provide proper reasons in his assessment of the impact of the Scheme on AWE and on the public.
3. The First Defendant accepts that the Planning Inspector's reasons for disagreeing with the position of the Fourth Defendant (as statutory consultee) in relation to the off-site emergency plan were not legally adequate.
4. The First Defendant has agreed to his Decision being quashed on Ground 1 as set out in the Claimant's Statement of Facts and Grounds only. As this will necessarily result in the quashing of the Inspector's decision that also deals with the matters that are the subject of the Claimant's other grounds, and the Defendant accepts that a fresh Inspector should be appointed, the Claimant and the First Defendant consider that the differences between them on the other Grounds have effectively become academic. For the avoidance of doubt, the Claimant and the First Defendant agree that the appeal generally, and the approach to the other issues, will need to be considered afresh by the new Inspector and the agreement to this consent order is without prejudice to the Claimant's position that the approach adopted by the Inspector was also unlawful by reason of those other grounds.

5. In the circumstances appeal reference APP/W0340/W/22/331226 shall be remitted to the Planning Inspectorate for complete redetermination by a fresh inspector or the First Defendant.
