Matthew

I write to notify you that my Planning Proof of Evidence will state that the Council cannot demonstrate a five-year housing land supply.

In light of the Inspector's Interim findings at the Local Plan Examination, and the shortfall referred to, the current position is 4.79years. However, my evidence will show that the position is at best 4.2years, or 4.02years with a 5% buffer.

The evidence to support this will be within my proof. I would hope that an agreement on HLS can be reached prior to the Inquiry to save time.

Regards

Katherine
