

**WEST BERKSHIRE DISTRICT COUNCIL
(OXFORD ROAD, DONNINGTON)
(30 M.P.H SPEED LIMIT) ORDER 202***

STATEMENT OF REASONS

The proposed order relates to a section of road which comprises residential and hotel development on one side, a narrow footpath on the other and has no streetlights. It is therefore considered necessary to lower the speed limit on this 450m section of road from 40mph to 30mph to reduce the risk of danger to highway users and facilitate the passage of pedestrians along this route. In addition, the proposed order will also provide a consistent method of speed management along this route by revoking the current 40mph speed limit.
