The Data Protection Officer

Contact details for the Data Protection Officer at the Council can be found at:
www.westberks.gov.uk/dpofficer

What data will we collect about you?

We will need to collect:

- Your name
- Your contact details
- Proof of your identity

It's helpful (and can make things much quicker) if you can confine your request to a specific timeframe, service and/or "type" of data, as well as giving us a description of what the data is that you're seeking.

What will we use your data for?

We only use the data you give us to provide a response to your request.

Who will see your data?

So that the Council can respond to your request, it will often be necessary to share the data you give with other Council services that might hold data. Which services these might be will depend on the nature of what you've asked us to do.

Why do we do this?

When you make a request, we process your data under the requirements of the relevant UK Data Protection legislation (the General Data Protection Regulations/GDPR and the accompanying Data Protection Act 2018).

It's in the public interest for the Council to provide the means for you to ask us about the data we collect and process, so we also collect your data as part of our role as a Public Authority.

There's more on your rights below (see "Your Rights").

How long will your data will be kept?

Your data will not be kept any longer than necessary. You can check how long the organisation will keep each type of data against West Berkshire Council's retention schedule (www.westberks.gov.uk/retention).

How is your data stored and processed?

Your data will be held on electronic databases and networked storage with restricted access and will be protected from unauthorized access using up-to-date technical and organisational security measures.

Transfer overseas

Your data will not be stored or sent outside of the UK.

Your rights

You have a number of rights when it comes to the data we hold about you. These are detailed on our request form (www.westberks.gov.uk/dprequest) that also allows you to make a request for us to take action about something.

Complaints

If you've already told us we need to do something, but we haven't responded in a way you're satisfied with, you can complain to the Information Commissioner's Office (the ICO). It's easiest to do this online via the ICO website (<https://ico.org.uk/concerns/handling/>), but you can also do so in writing to:
